L. EXTERIOR FINISHES. Front and sides of dwelling must be no less than 75% brick, drivett, or stone or any combination thereof unless otherwise approved in writing by the developer. No vertical siding shall be used on the construction of any dwelling, except as approved by the developer.

M. FENCING. No chain link or solid wood fencing shall extend nearer the street than the rear line of the dwelling, unless excepted in writing by the developer.

N. WATER SYSTEMS. No individual water supply system shall be permitted on any lot unless such system is located, constructed, and equipped in accordance with the with the requirements, standards, and recommendations of both state and local public health authorities. Approval of such system as installed shall be obtained from such authority.

O. No automobiles will be stored on any lot or kept on blocks unless in the basement of a structure. Boats, utility trailers, recreational vehicles and travel trailers must either be parked or stored in the basement or behind the front building line of the residential structures. No tractor trailer trucks, panel vans or other commercial truck in excess of a one ton classification shall be parked or stored on any lot.

P. No microwave dishes or television or radio antennas shall be placed on any lot in the subdivision; unless approved in writing by the developer. Only satellite dishes of the smallest diameter available for proper reception shall be allowed. Every attempt shall be made to place said dish out of sight from front of lot.

Q. No propane gas tanks shall be allowed unless approved and located by the developer.

R. YARDS. Upon the completion of a residence, all front and side yards which are not left in a natural wooded state will be landscaped with solid sod. The rear yard may be seeded, sprigged, or solid sod.

S. ROOFS. The roof pitch on any residence shall not be less than 7 and 12 unless first approved in writing by the developer. All roof vents and pipes shall be painted as near the color of the roof as possible, and shall be located on the rear of the structure and not viewed from the front.

T. PORCHES. All porches on the front and sides of any dwelling shall be supported by the foundation of the structure, unless approved by the developer.

U. MAIL BOXES. Mail boxes and posts must be of a design specified by the developer.

V. DRIVEWAYS. All driveways visible from the street must be pea-gravel concrete finish, asphalt, or concrete finish.

W. CROPS. No lot shall be cultivated for crops of any sort, except for gardens of reasonable size, which is to be located in the rear of any dwelling.

X. SIGHT EASEMENTS. No fence, wall, tree, shrub, or bush shall be erected or planted in such a way as to prevent any pedestrian or operator of a motor vehicle from having clear, open and safe scope of vision at any intersection, corner, or other adjoining of streets, or as to obstruct passage on public right of way. Height of shrubbery near intersections is not to exceed 30 inches.

Y. The intent of the developer of Aradon Farm is to preserve for present and future lot owners a heavily wooded physical environment in which a maximum amount of existing vegetation is preserved in an undisturbed state, typical of an oak-hickory forest, and that each lot owner is required to replace dying, diseased, or absent trees in order to maintain a desired degree of tree coverage. Hence, each lot owner in AraDon Farm shall observe the following restrictions regarding the removal and restoration of vegetation: no more than 30% of the trees may be removed; the owner must replant dead or diseased trees; any clearing, cutting, or pasture land must be approved by the developer and must be located behind the home and no closer than twenty-five (25) feet from the boundary line.

Z. The developer reserves the right to make any road or other improvements abutting on said property, to change the present road or other street grades, if necessary, without liability to the purchasers, their heirs and assigns for any claims for damages; and further reserves the right to change or modify the restrictions on any property in said subdivision, in order to enhance the subdivision and to amend these covenants as set out herein as it so desires.

AA. During all construction any damage to streets not repaired by the contractor will be repaired by the undersigned (after 10 day written notice) and will be charged to the contractor (or owner) at a reasonable cost for such services, which charge shall constitute a lien upon such Lot enforceable by appropriate proceedings at law or equity. During construction all builders must keep the homes, garages, and building sites clean. All building debris, stumps, trees, etc. must be removed from each building lot by the builder as often as necessary to keep the house and lot attractive. Such debris will not be dumped in any area of the subdivision.

BB. UTILITY EASEMENTS. The undersigned reserve, for themselves, their successors and assigns the right to use, dedicate and/or convey to the appropriate utility company or companies, rights of way or easements on, over, across or under the ground to erect, maintain and use utilities, electric and telephone poles, wires, cables, conduits, storm shelters, sanitary sewers, conveniences or utilities on, in and over strips of land each side line of each lot as needed.

CC. No lot shall be sold or used for the purpose of extending any public or private road, street, or alley, for the purpose of opening any road, street, or alley except by the prior written consent of the developer, its successors and assigns.

DD. DRAINAGE. To insure the maintenance of the natural beauty, no owner shall be allowed to dam up the creeks which flow through said Subdivision, nor shall they change the flow of said creek or wet weather streams. The lot owner shall be responsible for the drainage of all surface waters on the lot so as not to increase the natural drainage across neighboring lots. The lot owner shall also be responsible for drainage and silt control during the construction of residence.

EE. UTILITIES. The lot owner shall be solely responsible for the cost and expense of the installation of all utilities used on any lot up to the lot line. Furthermore, all electrical power transmission lines on any lot shall be required to be installed underground up to the lot line. Developer shall not be responsible for the cost and expense of installing or maintaining any utilities, including underground electrical power, used on any lot up to the lot line.

3. CONTROL COMMITTEE

A. All plans and specifications including plot plans, site plans, grading and drainage plans and exterior texture and color selections of residences on any lot in AraDon Farm shall be first filed with and approved by the developer before any construction is begun. The developer shall have the authority to require modifications and changes in plans and specifications if it deems the same necessary in its sole judgment to seek conformity of the proposed dwelling with restrictions hereof. All construction shall be built to the latest edition of the Southern Building Codes as a minimum requirement.

B. The authority to review and approve any plans and specifications as provided herein is a right and not an obligation. Contractors and owners shall have the sole obligation to oversee and to construct dwellings in accordance with the restrictions hereof and the plans and specifications approved by the developer.

C. Any remodeling, reconstruction, alterations or additions to an existing residence shall require the written approval of the developer, but shall comply with all restrictions and covenants.

D. The developer shall not be responsible to check for any defects in any plans or specifications submitted, revised or approved in accordance with the foregoing provisions. nor for any structural or other defects in any work done according to such plans and specifications.

E. Each and every covenant and restriction contained herein shall be considered to be an independent and separate covenant and agreement, and in the event any one or more of said covenants or restrictions shall for any reason be held to be invalid or unenforceable, all remaining covenants and restrictions shall nevertheless remain in full force and effect.

F. The Protective Covenants can be amended during the development stage only by the developer and thereafter by a 75% majority of the property owners.

4. PROPERTY OWNERS ASSOCIATION

A property owners association will be formed at a time determined in the sole discretion of the Developer, to promote community integrity, maintain the entrance and right-of-ways and for other purposes determined by the Association. The Association shall have the right the assess charges against each parcel of land for said maintenance of the entrance and rights-of-way and for any other costs agreed to by two-thirds of the "property owners". Each owner, by acceptance of a deed for any property in Aradon Farm, shall become a member of the Association and is deemed to have covenanted and agreed to pay the Association charges as provided herein. These charges together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such charge is made.

5. COVENANT FOR MAINTENANCE ASSESSMENT

A. The covenants and restrictions herein shall be deemed to be covenants running with the land. If any person shall violate or attempt to violate any of such restrictions or covenants, it shall be lawful for the undersigned or any person or persons owning any lot on said land; A) to prosecute proceedings at law for the recovery of damages against the person or persons so violating or attempting to violate any such covenant or restriction, or B) to maintain a proceeding in equity against the persons or persons so violating or attempting to violate any such covenant or restriction for the purpose of preventing such violation, provided however, that the remedies in this paragraph contained shall be construed as cumulative of all other remedies now or hereafter provided by law.

B. It is understood and agreed that the foregoing covenants and restrictions shall attach to and run with the land for a period of twenty-five (25) years from the date set out below, at which time these covenants and restrictions shall be automatically extended for successive periods of ten years, unless by a vote of a 75% majority of the then owners of the lots, it is agreed to change same in whole or part, and that it shall be lawful for the developer and lot owners to institute and prosecute any proceedings at law or in equity against the person, persons, corporation or corporations violating or threatening to violate said covenants and restrictions: and failure to institute proceedings for any one or more violations shall not constitute approval of same or be construed as a waiver of any right of action contained herein, for past or future violations of said covenants and restrictions.

IN WITNESS WHEREOF, the said developer and lot owners have executed this instrument on the day of _____, 1997.

**MODIFICATION
OF
DECLARATION
OF
PROTECTIVE COVENANTS
FOR
ARADON FARM SUBDIVISION**

THIS DECLARATION, made this 15th day of May, 2009 by Andrew Don Olvey and Ellen S. Olvey, hereinafter called the "Development".

WHEREAS, the Developer has previously filed in the Office of the Judge of Probate for St. Clair County, Alabama, Protective Covenants for Aradon Farm Subdivision in Instrument Number N9801581. The Protective Covenants apply to the lot owners of all sectors of the subdivision as recorded in Map Book 53, Page 5; Map Book 6, Page 11; Map Book 2004, Page 79; Map Book 2005, Page 33; and Map Book 2005, Page 43, in the Office of the Judge of Probate of St. Clair County, Alabama, at Pell City.

WHEREAS, in Paragraph 5(F) of the Protective Covenants, the Developer reserved the right to amend the Protective Covenants of Aradon Farm Subdivision.

WHEREAS, the Developer has deemed it prudent and in the best interest of Aradon Farm Subdivision to amend the Protective Covenants as follows:

Paragraph 1(E) is amended to read as follows:

E. "FLOOR AREAS. No dwellings shall be erected containing less than two thousand (2000) square feet of living (heated) area for one-story buildings exclusive of porches, garages, and basements. Any 1 ½ story dwelling must contain at least one thousand eight hundred (1800) square feet of living area on the first floor, with no less than a total of two thousand six hundred (2600) square feet of living (heated) area in the entire building. Any two story dwelling must have at least two thousand four hundred (2400) square feet of living (heated) area, provided the first story will in no event be less than one thousand two hundred (1200) square feet of living (heated) area. On any two story

structure, the area used for any vaulted foyer area shall be added to the second floor square footage. All dwellings will have wooden windows (except as set out in 2(J) hereafter), brick, stucco, or stone on all four sides of the foundation, no exposed block, and shall be at least (50) feet in length across the front of the dwelling, except a two story dwelling which can be (40) feet in length across the front."

Paragraph 2(Q) is amended to add the following:

Q. "... Propane gas tanks must be concealed by a hedge or privacy fence."

Paragraph 2(R) is amended to add the following:

R. "YARDS. . . . In the event a residence is not constructed on a lot within twelve (12) months after it has been conveyed by the Developer, then the owner of the lot shall plant and maintain the landscape with solid sod to encompass an area no less than twenty (20) feet in depth from the edge of the road right-of-way."

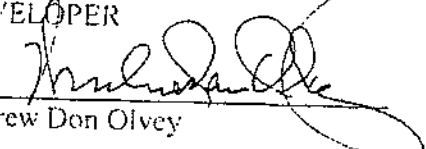

Paragraph 2(FF) is added as follows:

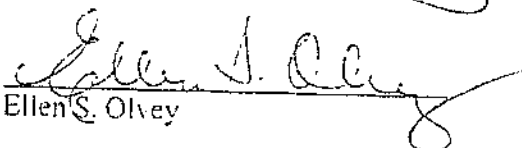

FF. "No above ground swimming pools shall be allowed."

EXCEPT AS HEREIN modified or amended all other terms of the Protective Covenants shall remain in full force and effect.

IN WITNESS WHEREOF, the Developer, Andrew Don Olvey and Ellen S. Olvey, have caused this instrument to be executed on the date above first written.
